September 14, 2020

Good Evening Villa Cresta Elementary Families,

This call is just a reminder that tomorrow, Tuesday, September 15th will be our virtual back-to-school night. The administrative team has prepared a video presentation that is available to view now ... this link is attached to an email that was sent to you this evening and will also be posted on our school website. We recommend viewing this 18-minute presentation prior to attending the classroom sessions. This presentation provides an overview of attendance, grading & reporting, schedules, and other school-wide information.

Classroom presentations will begin at 5pm tomorrow evening. The first session will go from 5-5:30pm and a second session will be available to attend from 5:40-6:10pm. You will access your child's classroom as they do daily for class by going to Meet.Google.com and entering your child's classroom code. In most cases this is the teachers last name followed by the letters vce. The video link also provides a few other sessions that are available to attend tomorrow evening such as meeting with support staff, wellness staff, and special area staff.

Finally, thank you for your overwhelming support of our teachers and staff as we got up and running this past week. Our material distribution event was highly successful in that we were able to distribute bags of materials to over 500 families in the first two hours of distribution. Awesome job to the staff and families who worked hard to ensure we had a successful event.

Take care, stay well, and please watch our video presentation in preparation for tomorrow's back-to-school night.

Jenny Rohrbaugh, Principal
