Dear Villa Cresta Community,

Don't forget that on Thursday, September 10th from 3pm - 6pm we will have our material distribution event. As with all of our distribution events, in order for the flow of traffic to keep moving, we ask that you have your child/children's name and grade levels listed on a sheet of paper in the front window of the car. Student tags are different for each grade level, so we need to ensure you receive the appropriate bag of supplies. We have enough bags for all of our students, so we ask that you spread out your arrival time to provide relief to the roads in our community as well as the entrance and exit to the school. If you are unable to attend, you can have a neighbor or friend pick up for you, they just must place your child's name and grade on the sign in their car window.

Finally, the administrative team will be preparing a pre-recorded presentation for families to view prior to Back-to-School Night. We would like to gather any questions you have or topics in need of clarification so we can provide guidance in our presentation. Please use the following link to submit questions. You do not need to leave your name or contact information. As a final reminder, please mark your calendars for Tuesday, September 15th as our virtual back to school night. Teachers will be in their google meet classes to host families from 5-5:30pm and again from 5:40-6:10pm. We will send another reminder next week, so you don't miss this night!

Again, thank you for the amazing teamwork today as we returned to the first day of school. I loved seeing all of your children in classes excited to meet their teachers and reconnect with their classmates. We will see you tomorrow for another full day of virtual instruction.

Have a safe and restful evening,

Jenny Rohrbaugh, Principal
