September 1, 2020

Good Afternoon Villa Cresta Families,

This communication is a reminder that tomorrow, Wednesday, September 2nd from 3pm to 6pm we will be distributing devices to families who still need a device. We will distribute to kindergarten families first followed by all other grade levels until we deplete our current supply. Kindergarten families should try to arrive between 3pm and 4pm and families with students in grades 1 – 5 should arrive between 4pm to 6pm.

You must have your child's name and grade level posted in the front windshield of your car so that we can expedite the distribution process. We can guarantee devices for all our kindergarten families and will continue to distribute to all other grade levels until we are out of devices. At that time, we will then take names and grade levels of additional students still in need of a devices and submit a request for more devices.

Additionally, if you are not receiving our email communications, you **MUST** have an active BCPSOne Parent Account. If you have not activated this account, you will not receive our emails. We will be communicating via email and phone calls throughout virtual learning, so it is vital that you have this account established.

All administrative communications sent via email as well as technology support documents such as creating a BCPSOne account, logging into Google Meets, and contacting the technology help desk are also posted on the Villa Cresta ES website. This will be a valuable tool for families to find information to support remote learning.

Again, tomorrow, Wednesday, September 2nd we will hold our device distribution event. Thursday, September 10th we will hold our school supply and curriculum materials distribution event for students in grades Preschool through fifth grade. We will send a reminder again next week.

Finally, teachers and staff returned to duty yesterday and we are actively making plans for a virtual Back-to-School event. Once finalized, we will communicate to you the date and time of this event.

Take care, stay well, and we look forward to seeing some of you tomorrow evening!

Jenny Rohrbaugh, Principal
Kelly Lehto, Assistant Principal
Heather Lundy, Assistant Principal
