

PARENT SUPPORT GROUP

Parenting during Covid-19 is hard, and you are not alone. In response to the current crisis and virtual learning, the Villa Cresta School Social Worker and School Psychologist will be offering a support group for Parents and Guardians to facilitate connecting with others who are in a similar position as you. This safe space will be used to discuss struggles, strategies and supports.

Every Monday 5:00 – 6:00pm

Google Meet Code: ParentSupportVCES
